

# News & Views *from* OWWA

## Farm Science Review

OWWA once again will have a presence at the Farm Science Review. The 2008 event will be held Sept. 16, 17 and 18.

As usual we are seeking volunteers to work our booth where we will give out free samples of well water and offer consumers the chance to discuss ground water with industry experts.

To volunteer please contact Hewie Fredebaugh at 440-357-6924 or Bob McClain at 260-824-2900.

## Scholarship Fund Starts Over

All of the money in the OWWA scholarship fund was recently disbursed so the fund is accepting donations for the 2009 scholarship year.

To date \$675 has been raised.

Contributors for 2009 so far:

Boes Well Drilling LLC  
Peacock Water  
Jeff Pikel of The DeHayes Group  
Kniceley's Well Drilling

## Convention Is Nov. 11 - 12

The OWWA convention will return to the Roberts Centre in Wilmington on Nov. 11 - 12. The convention once again will feature a contractor education day, trade show, reception, banquet and silent auction. Exhibitor invitations will be mailed in less than two weeks; contractor invitations will be mailed in August.

## New Member

K & B Water Well Drilling & Excavating Co., Inc., has joined OWWA. K & B is located at 5990 County Road 50, Mount Gilead. The phone is 419-362-7355 and the fax is 419-362-1448.

Representing the company will be Kenneth Keene.

## Letters

To OWWA:

I would like to take this opportunity to thank you for the scholarship that you have awarded me. My family and I greatly appreciate your thoughtfulness and understand how helpful it will be in the fall. I will be attending the University of South Florida for pre-veterinary medicine and all of your donation will be used for tuition costs and books. Thank you once again.

Matt Burgess

To OWWA:

I just want to say thank you for your continued support and contributions towards my education. This year was the fourth straight year that you have helped me towards my goals at NC State and over the years your contributions to me have totaled to \$2,780.55! I will be graduating next May with my degree in civil engineering and will hopefully put my education, and the scholarships that helped me obtain it, to good use at the D.O.T. here in New Philadelphia. Thanks again for your support this year and in years past!
